Report on Financial Statements

We have audited the accompanying statements of financial position of PIONEER INSTITUTE, INC., which comprise the balance sheets as of September 30, 2010 and 2009, and the related statements of activity and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting principles used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of PIONEER INSTITUTE, INC. as of September 30, 2010 and 2009, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The schedule of functional expenses on Pages 11 through 13 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Respectfully,

Glenn Ricciardelli, PC

Note A - Nature of Organization and Significant Accounting Policies

ORGANIZATION:

PIONEER INSTITUTE, INC. is a public policy research organization, which specializes in the support, distribution, and promotion of scholarly research on Massachusetts' public policy issues. The PIONEER INSTITUTE, INC. does not incur any costs related to lobbying for the purpose of influencing legislation as addressed under Section 501 (h) of the Federal Tax Code.

BASIS OF PRESENTATION:

The financial statements of PIONEER INSTITUTE are presented on the accrual basis.

NET ASSETS AND REVENUE RECOGNITION:

Net assets and revenues, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

Permanently Restricted Net Assets – Net assets subject to donor-imposed stipulations that they be maintained in perpetuity by PIONEER INSTITUTE.

Temporarily Restricted Net Assets – Net assets subject to donor-imposed stipulations that may or will be met by actions of PIONEER INSTITUTE and/or the passage of time.

Unrestricted Net Assets – Net assets not subject to donor-imposed stipulations.

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Revenues are reported as unrestricted net assets if the donor-imposed restrictions are met in the same reporting period. Expenses are reported as decreases in unrestricted net assets.

PIONEER INSTITUTE recognizes contributions as revenue when they are received or unconditionally pledged. Contributions subject to donor-imposed stipulations that are met in the same reporting period are reported as unrestricted support. Unconditional promises to give with due dates scheduled after the balance sheet date are shown as increases in temporarily restricted net assets and are reclassified to unrestricted net assets when the related purpose or time restrictions are met. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair market value at the date of the gift.

PIONEER reports gifts of cash and other assets as permanently restricted support if they are received with donor stipulations that limit the access to the principal portion of the original donated assets. Access to the principal portion of the 2010 permanently restricted assets was limited to 3.50% of the principal balance including current year earnings as of September 30th 2010. This resulted in the release of \$7,370 from permanent restrictions, which was released subsequent to the 2010 fiscal year end.

PIONEER INSTITUTE, INC.

Notes to Financial Statements

Years Ended September 30, 2010 and 2009

Contributions receivable represent amounts unconditionally pledged by donors that have not been received by PIONEER INSTITUTE, INC. Contributions receivable fund balances as of September 30th 2010 & 2009 were \$29,512 and \$2,900, respectively.

LEASES:

PIONEER INSTITUTE, INC. leases its premises located on the eighth floor at 85 Devonshire Street, Boston, Massachusetts, 02109. The base rental payments, excluding utilities, for the remaining three [3] year lease period ending November 30, 2013 are as follows:

Period	Annual Rent Expense	Amortized (Deferred) Free Rent	Minimum Lease Payments
FY2011	107,917	(21,175)	86,742
FY2012	111,417	(21,175)	90,242
FY2013	114,917	(21,175)	93,742
FY2014 (2 Mos.)	19,250	(3,529)	15,721

CASH AND CASH EQUIVALENTS:

For financial statement purposes, PIONEER INSTITUTE, INC. considers all highly liquid investments with a maturity date of 180 days or less to be cash and cash equivalents. Management believes the Institute is not exposed to any significant credit risk on cash and cash equivalents (see Note G).

INVESTMENTS:

Investments of PIONEER INSTITUTE are recorded at market based on quoted market prices.

ACCOUNTS RECEIVABLE:

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provided for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual receivables from grants, contracts, and others. There was no allowance for bad debts at September 30, 2010 and 2009.

CONTRIBUTED SERVICES:

The financial statements reflect \$15,000 and \$15,000 for Certified Public Accounting services provided on a pro-bono basis for the years ended September 30, 2010 and 2009, respectively. In addition, a number of volunteers have donated their time to the Institute, including the Board of Directors & Founding Chairman. The value of this contributed time is not reflected in these financial statements since it is not easily susceptible to objective measurement or valuation.

ESTIMATES:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and

disclosures. Specifically, certain expenses have been allocated to operations and programs based upon the time allocated to each by PIONEER INSTITUTE'S employees. Accordingly, actual results could differ from those estimates.

PROPERTY AND DEPRECIATION:

Property amounts are stated at historical cost or, if donated, at the approximate fair value at the date of donation. For financial purposes, depreciation is computed on a straight-line basis, utilizing useful lives of 3-years for office equipment & software and 5-years for furniture and fixtures. Leasehold improvements are amortized over the length of the lease, or the life of the asset, whichever is shorter.

NON-PROFIT STATUS AND INCOME TAXES:

PIONEER INSTITUTE, INC. is a nonprofit organization and is exempt from Federal income taxes under Section 501 (c)(3) of the U.S. Internal Revenue Code. Donors may deduct contributions made to PIONEER INSTITUTE within Internal Revenue Code regulations. PIONEER INSTITUTE is subject to a tax on income from any unrelated business.

PIONEER INSTITUTE has adopted the recognition requirements for uncertain income tax positions as required by generally accepted accounting principles, with no cumulative effect adjustment required. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax positions will more-likely-than-not be sustained upon examination by taxing authorities. PIONEER INSTITUTE has analyzed tax positions taken for filing with the Internal Revenue Service and all state jurisdictions where it operates. PIONEER INSTITUTE believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse affect on PIONEER INSTITUTE'S financial condition, results of operations or cash flows. Accordingly, PIONEER INSTITUTE has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at September 30, 2010.

PIONEER INSTITUTE is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. PIONEER INSTITUTE believes it is no longer subject to income tax examinations for years prior to 2006.

PIONEER INSTITUTE policy is to classify income tax related interest and penalties in interest expense and other expenses, respectively.

Note D – Fair Value of Investments

PIONEER INSTITUTE investments are reported at fair value in the accompanying statement of net assets.

September 30, 2010	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
Mutual Funds	\$980,601	\$980,601
Closed-End Funds	166,190	166,190

SFAS 157, Fair Value Measurements, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 have the lowest priority.

PIONEER INSTITUTE uses appropriate valuation techniques based on available inputs to measure fair value of its investments. When available, PIONEER INSTITUTE measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset value of shares held by PIONEER INSTITUTE at September 30, 2010.
